雪の降る季節に始まった連載も、無事

単行本2巻目を迎えることが出来ました。

久しぶりに外に出てみたら

外は日差しが強く

蝉が鳴いているじゃありませんか。

海に行きたいなぁ。

花火をしたいなぁ。

スイカを食べたいなぁ。

とか思っているうちに、もう秋ですか……。

来年の夏こそは！

LETS HEAD OUT

GESHOULD!! AIEN!! DAGGER!!

ONTO THE BATTLEFIELD WE RAGE LIKE A BLAST OF WIND AND BECOME AVENGERS

GOD BESTOWED STRENGTH ON THIS RIGID ARM !!

MECHANICAL CROSSBOW AIEN!!

WHILE IN SWORDMANSHIP AND BRUTE STRENGTH I FALL BEHIND THE OTHER TWO

IN HAND A MECHANISM THAT'S UNIQUE!!

That's right... I've heard of it...

They... They're Strong!!

THE BLUE WARRIORS !!

A force that became the core of the infantry divisions, overturning 10 times the difference over forces on the northern front...

One of the Warriors of the Round Table directly under the former Emperor of Kalaia, "Ten Men Gwen"!!

The Blue Warriors' Commander

... and when it comes to.....

That...

No... that's not my name now, it's...

Bowmen!!
That man's

Wha... What the hell are these guys..

You've already lost the will to fight

You're welcome to surrender as a prisoner if you want to

Claymore's soldiers are gentlemen

Though I should add, a fight

That's also welcome

Claymore Castle Town

ヒュウ

Hey Bro?

Just get with it

Say...

Coming here you were with her a few days just you two, right?

What were you doin'

What was done?

WHAT WAS!?

but she's a good woman

If only I was five years older. I couldn't leave her alone

Eh~!? I can't believe you~!!

Well... it's probably obvious I wouldn't do anything...?

really

Bro is .....

or he's just young.

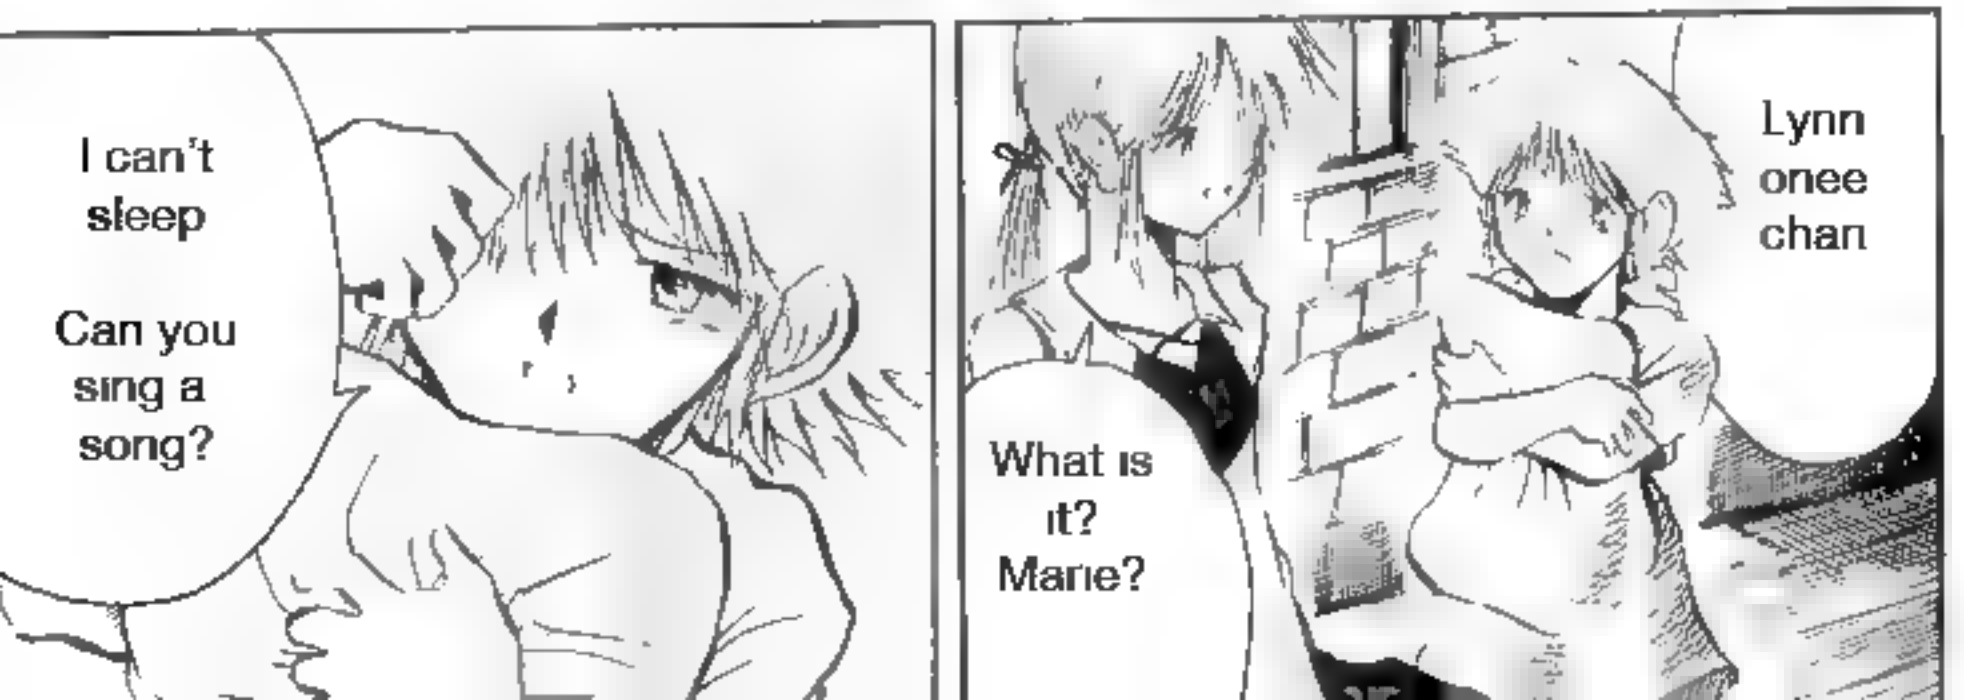
# キメラ 2

Well, at least the kids are healthy
I'm tired today...



I can't sleep
Can you sing a song?
What is it? Marie?

With how things are, about singing and the sleepless, I think...

ビーム

Lynn is...?

Ah, up top with the others

Yo Helen

Ya, Taki

It's obvious

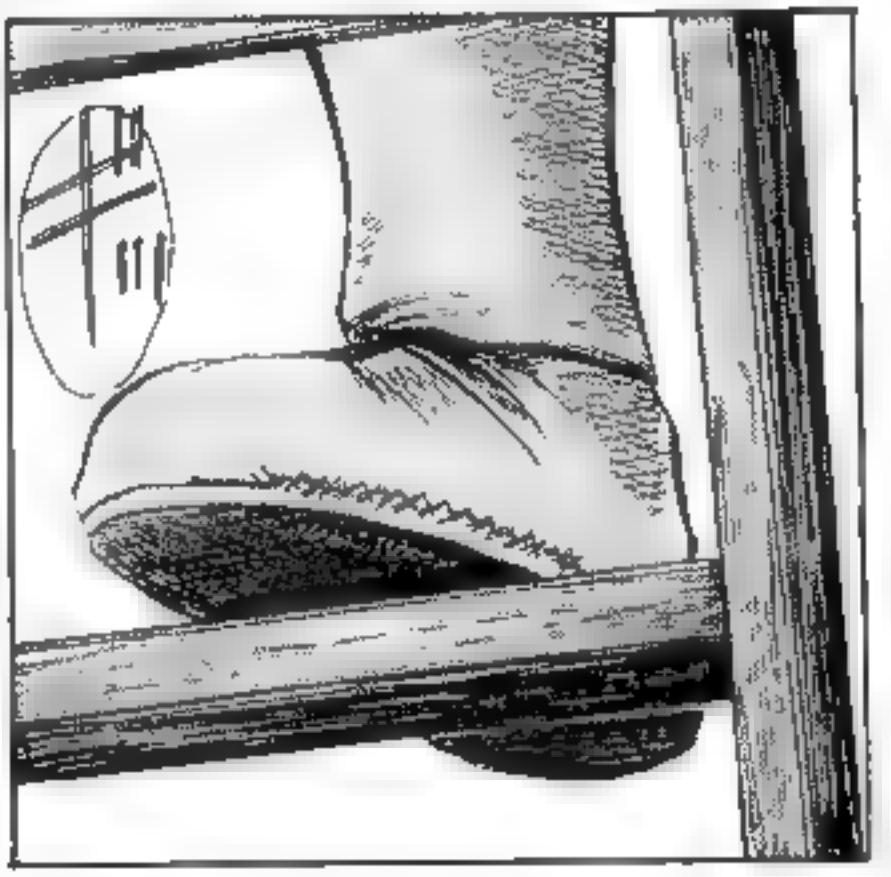
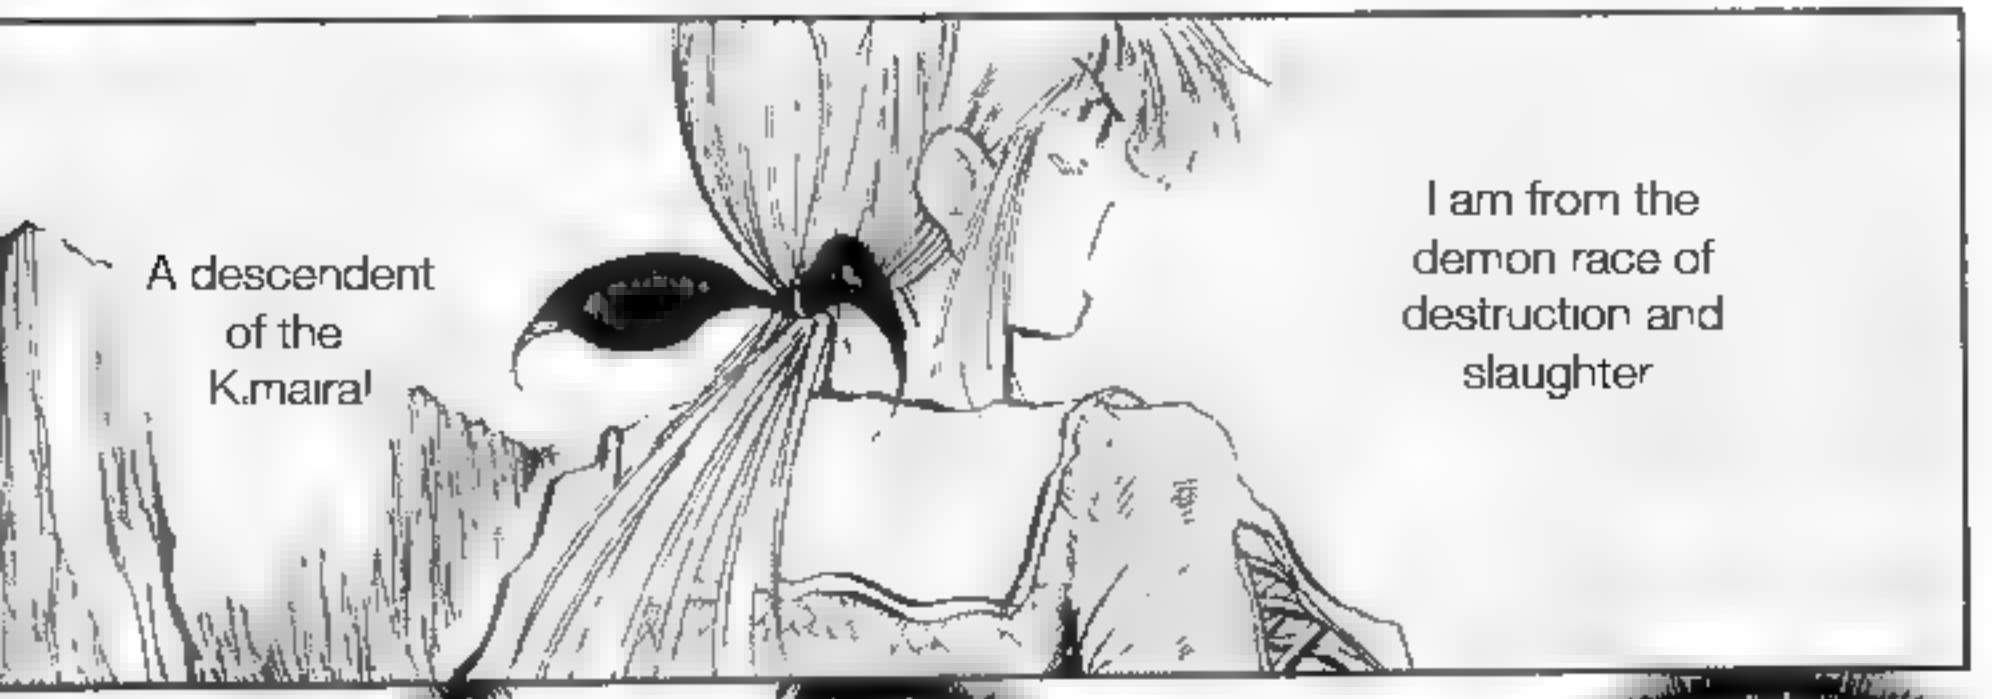
with her
!!!





A descendent
of the
K.mairal

Takı

This is the last one in

I wonder if I can stay here

I...

say~ Takı...

You're a natural at that probably?

You're doing what you need to with everyone

Taki...

Thank you.....

There doesn't seem to be any more soldiers in this area

Yeah, they fled when we defeated them

Captain Gwen..... We... is what we're doing really right?

When you think about it... The war is a thing drawing out human weakness

In various regions, our brethren have attacked various villages

I have heard of repeated killings and lootings

I guess so Aien, why?

This continent again...

If it becomes like the former Kalaia Empire the war will be over...

The head of a household or trade may also cultivate a field

It was only that...

When there is no war

Are Gae Bolg

The Closest to achiving that

That is why we must make a feat of valour

Watch your tongue Alen

His Exellency Gustaf's politics has many masks that aren't convincing .....

However

What truth there is at the moment is that I'm a warrior. Sir Gwen, this Alen until death will work at both

Captain Gwen

Well...

You're the example of a cleaver young man

Because in the future you'll be a man that runs this continent

Fu... Don't be so troubled

The life of Politics and Welfare of this Country may suit you well

Simply, We'll have to fight for Gustaf

HeHeHe!!

The captain's talk is difficult isn't it?

Dagger...

For the Justice that we all believe in

But anyway that thing that Aien designed...

Captain Gwen the reinforcements have arrived!!

Besides

That heavy armour mechanism I made "Jenero"

Sorry Aien

we also pressed you for the "mechanisms" we use to fight

For the Justice that we all believe in

It's fine Sir Gwen

And that weapon...

that is...

Only he once known as "Ten Men Gwen" can handle it.

No...

I'm only doing what I wanted to do

I get that...

スッ

You damn brat...

*It's obvious that you've fallen in love with her*

A few days later

The Gae Bolg troops summoned from the North Front Suround Claymore

# FOR THE LOVE OF Scans

Hello readers, this here is my first scanlation... it doesn't have the quality of other scans since I'm both using freely obtained RAWs and skipping out on the cleaning of them due to personal time constraints.

I'm mostly doing this as constructive practice for my japanese. As you read these, you may come to discover how much of a novice I am at this. But be assured, the translations made are "Accurate enough". There shouldn't be any inconstancies later on.

I may or may not release more after vol 2 due to work, but I'll work towards that goal

thankyou for reading and enjoy
